The Multi-Ministerial Taskforce (MTF) has announced on 30 April 2021, a list of measures to quickly reduce the level of interactions in the community, in view of the recent increase in the number of local COVID-19 cases. Please see details of MTF's press release dated 30 April 2021 for more information – <https://www.moh.gov.sg/news-highlights/details/updates-on-local-situation-border-measures-for-bangladesh-nepal-pakistan-and-sri-lanka-thailand-and-precautionary-measures-to-minimise-transmission-from-tan-tock-seng-hospital-cluster>.

2 One of the measures includes the closure of outdoor barbeque pits in condominiums from 1 through 14 May 2021. All Management Corporations (MCSTs) are reminded to comply with the measures and ensure all barbeque pits are not to be used during this period.

3 MCSTs should also remind their residents to observe the safe management measures including the wearing of masks when they are not in their places of residence.
