ASM WEBINAR

INSTALLATION OF EV CHARGING STATIONS IN STRATA TITLED DEVELOPMENTS

23 JULY 21 (FRIDAY) 2-5PM

Come and join us to have a better understanding on the electric vehicle charging in the carparks of public housing estates and private developments, particularly condominiums, industrial and commercial buildings.

Mr Ong Lai Seng of NEVC from Ministry of Transport will be sharing with you:

- (i) Singapore's EV vision and charging point targets
- (ii) Introduction to EV information guidelines for building owners/MCSTs
- (iii) Sharing on EV Common Charger Grant (ECCG)

Mr Goh Chee Kiong from Charge +, will share with us on the business models in the market and technical requirements on site.

Mr Chan Kok Hong, from ASM will address on the MCST procedures in passing resolutions for the electrical charging stations and car-parking lots within the strata development.

There will also be a forum discussion after the presentations for participants to air their views or post questions.

Online registration form which can be found on our website - <https://www.asm.org.sg/seminars> or scan the QR code shown.
